- Concept, art direction, AI production, edit.

PharmacyOS — 2026

The System in Motion — B2B motion design

2 VERTICAL MOTION FILMS

- Turned wholesale ordering, SKU parsing, and ERP syncing into clear, direct visual stories for a distributor platform.
- Concept, script, motion design, AI-assisted production.

06 EXPERIENCE

Independent AI Creative Producer & Creative Graphic Designer — 2025–Present

LAGOS, NIGERIA · FREELANCE / INDEPENDENT

- Lead creative direction and production for brand campaigns across pharma, fashion, and B2B SaaS.
- Translate brand strategy into visual systems, then direct AI image/video generation and post-production.
- Build repeatable workflows that keep film and stills consistent across platforms.
- Manage end-to-end delivery: concept, art direction, production, edit, and platform-ready formats.

Graphic Design Lead — 2021–2024

THE 234 FOUNDATION · NIGERIA

- Led graphic design for foundation campaigns and programmes, building consistent visual identities across digital and print.

Graphic Design Associate — 2023–2024

TECH4DEV · NIGERIA

- Produced social and campaign graphics for technology education initiatives, supporting brand-consistent design across channels.
